| Pujin | Sektor 10 | | Nata Sembiring | |

Catatan :

The image consists of a large, uniform grid of small, solid black squares arranged in horizontal rows. This pattern covers most of the page. In the lower right quadrant, there is a distinct break in the grid. The area where the grid is missing contains several short, horizontal dotted lines of varying lengths, suggesting a corrupted file or a specific digital signal. The overall appearance is that of a binary file or a complex digital pattern.
